

Practice Difference Across Provinces: Key Links

It is each registrant’s responsibility to inform themselves adequately in order to adhere to all the legislation, regulations, by-laws, standards, guidelines and advice in the province where they are registered with a secondary registration. The following chart outlines **some** of the key differences but it is **not exhaustive and therefore not considered your only source for informing your practice in the secondary province**. If, after reviewing the resources below, you have questions, please don’t hesitate to contact the relevant College.

<i>Communicating a Diagnosis</i>	<p>SLPs are able to communicate a speech, language or swallowing diagnosis.</p> <p>Audiologists are able to communicate a diagnosis of an auditory or vestibular dysfunction.</p>	<p>SLPs and Audiologists are not permitted to communicate a diagnosis.</p> <p><u>Practice Advice: Communicating Clinical Information or A Diagnosis: Do You Know the Difference?</u></p>	<p>SLPs can communicate a diagnosis of a speech, language, or related communication/swallowing dysfunction or disorder. <u>SLP Reserved Acts</u></p> <p>Audiologists can communicate a diagnosis of an auditory or vestibular dysfunction. <u>AUD Reserved Acts</u></p>	<p>There is no legislation in New Brunswick prohibiting audiologists or speech-language pathologists from diagnosing communication and swallowing disorders <u>within their scope of practice.</u></p>	<p>SASLPA Diagnosing Statement</p> <p>Based on knowledge and skills developed at their educational institutes, forming and communicating audiology and speech-language pathology diagnoses falls within the normal scope of practice for audiologists and speech-language pathologists. Forming and communicating diagnoses falls within the normal scope of practice for audiologists and speech-language pathologists, they do not contravene <i>The Psychologist’s Act, 1997</i> by making and communicating audiology and speech-language pathology related diagnoses. Formation and communication of speech and/or language disorder found in the American Psychiatric Association’s Diagnostic and Statistical Manual of Mental Disorders (DSM) must be team-based and reference the team’s findings and other team members’ reports.</p>
<i>Using the Protected Professional Titles</i>	<p><u>Using Your Protected Professional Designation the Right Way</u></p> <p>Speech-language pathologist and audiologist protected titles and registered designations, including examples, are outlined on page 1 and 2 of this document.</p>	<p>The <u><i>Audiology and Speech-Language Pathology Act, 1991</i></u> states, Section 8, paragraph 1: Restricted titles</p> <p>8 (1) No person other than a member shall use the titles “audiologist”, “speech-language pathologist” or “speech therapist”, a variation or abbreviation or an equivalent in another language. 1991, c. 19, s. 8 (1).</p>	<p><u>Use of Titles, Credentials, Certification Designations, and Use of The Title “Doctor”</u></p> <p>AUD Ex: Jane Doe, Registered Audiologist (Restricted Purpose); or Jane Doe, R. Aud. (Restricted Purpose).</p> <p>SLP Ex: John Doe, Registered Speech – Language Pathologist (Restricted Purpose); or John Doe, RSLP (Restricted Purpose)</p>	<p>Refer to the <i>Act Incorporating the New Brunswick Association of Speech-Language Pathologists and Audiologists</i> regarding the use of protected professional titles</p> <p><u>Master ACT ENG May2000PROOFEDMAY2002 (nbaslpa.ca)</u></p> <p>Act 2(2) - speech-language pathology</p> <p>Act 2(3) -audiology</p>	<p>Titles allowed for Temporary Member:</p> <p>“Audiologist, Temporary Registered SK Lic#T0000”</p> <p>“Speech-Language Pathologist, Temporary Registered SK Lic#T0000”</p>

Practice Guidance	Alberta	Ontario	Manitoba	New Brunswick	Saskatchewan
<i>Using the Doctor Title</i>	<p><u>Use of the Protected Title “Doctor” When Providing a Health Service</u></p> <p>Authorization Criteria and Application for Use of the Protected Title ‘Dr’ <u>Audiologists</u> <u>Speech-Language Pathologists</u></p> <p><u>Using Your Protected Professional Designation the Right Way</u> “...only regulated speech-language pathologists (SLPs) and audiologists with doctoral degrees from programs approved by ACSLPA Council, may use the protected title “Doctor” or “Dr.” alone or in combination...”</p> <p>PLEASE NOTE: Only individuals who are authorized to use the title “Dr.” in their primary province will be allowed to make use of the title in AB as part of cross-provincial registration. Please contact the registration coordinator if this applies to your circumstance.</p>	<p><u>Position Statement on Use of the Doctor Title</u> SLPs and audiologists are not “...entitled to use the title “Doctor”, a variation or abbreviation or an equivalent in another language in the course of providing or offering to provide in Ontario health care to individuals...”</p>	<p><u>Use of Titles, Credentials, Certification Designations, and Use of The Title “Doctor”</u> Registrants must not refer to themselves as “Doctor” in the course of providing health care in Manitoba. Registrants with doctoral degrees may use the title “doctor” in combination with other words in connection with teaching, research, or administration. Ex: “Doctor of Audiology” or “Doctor of Speech-Language Pathology”</p>	<p>There is no legislation by NBASLPA, the NB Medical Act, or the College of Physicians and Surgeons of New Brunswick prohibiting the use of the title “doctor” to refer to a PhD or a doctorate of audiology as long as it is not used to imply a medical license.</p>	<p>https://saslpamystagingwebsite.com/wp-content/uploads/2020/01/Use-of-the-Title-Doctor-Approved.pdf There is no legislation by SASLPA however the use of the title “Doctor” is restricted as set out in <i>The Medical Profession Act 1981</i>. “80(1) A person who is not registered under this Act and who: (c) assumes, uses or employs the term “doctor”, “surgeon”, “physician” or “podiatric surgeon” or any affix or prefix indicative of any such title as an occupational designation that relates to the treatment of human ailments, or advertises or hold himself out as such; is guilty of an offence and liable on summary conviction, ...”</p>
<i>Restricted, Reserved or Controlled Activities</i>	<p><u>Speech-Language Pathologists and Audiologists Regulation (pg. 14 to 17)</u> <u>Standards of Practice: Restricted Activities</u> https://www.acslpa.ca/members-applicants/key-college-documents/restricted-activities-competency-profiles/</p> <p>Please note: ACSLPA’s Standard of Practice on Restricted Activities is currently undergoing revision in</p>	<p><u>The Regulated Health Professions Act, 1991 P27(2)</u> specifies 14 specific controlled acts. SLPs do not have the authority to perform any. Audiologists have the authority to perform the controlled act of prescribing a hearing aid.</p>	<p><u>AUD Reserved Acts</u> <u>SLP Reserved Acts</u></p> <p>The Advanced Certificate Competency is outlined in Part 4 of the <u>General Regulation</u>. Certain specialized health care services may be performed only if a member holds an advanced competency certificate. AUD: see section 4.2(1) SLP: see section 4.2(2)</p>	<p>NBASLPA does not have any legislation at this time regarding restricted, reserved or controlled activities. Registrants must practice according to the NBASLPA code of ethics and “engage only in the provision of services that fall within their professional competence, considering their level of education, training, and experience”.</p>	<p>SASLPA does not have any legislation at this time regarding restricted, reserved or controlled activities. Registrants must practice according to their code of ethics and “engage only in the provision of services that fall within their professional competence, considering their level of education, training and experience.”</p>

	conjunction with amendments to the HPA. These changes will be communicated once finalized.			2016 sac Code of Ethics en .pdf (sac-oac.ca)
